CHARACTERISTICS OF GEM

GEM has been positioned as a market designed to accommodate companies to which a higher investment risk may be attached than other companies listed on the Stock Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration. The greater risk profile and other characteristics of GEM mean that it is a market more suited to professional and other sophisticated investors.

Given the emerging nature of companies listed on GEM, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board of the Stock Exchange and no assurance is given that there will be a liquid market in the securities traded on GEM.

GENERAL MANDATE TO ISSUE SHARES

On 23 December 2016, an ordinary resolution was passed by the then Shareholders to give a general mandate to the Directors to exercise the powers of the Company to issue Shares. Such mandate will lapse at the conclusion of the AGM. At the AGM, an ordinary resolution will be proposed to grant to the Directors new general and unconditional mandate to allot, issue and otherwise deal with Shares of up to 20% of the total number of the issued Shares as at the date of passing of the relevant resolution.

LETTER FROM THE BOARD

In addition, a separate ordinary resolution will be proposed at the AGM to add to the Issue Mandate those Shares repurchased by the Company pursuant to the Repurchase Mandate (if so granted to the Directors at the AGM).

The Directors have no present intention to exercise the Issue Mandate or the Repurchase Mandate (if granted to the Directors at the AGM).

The Issue Mandate allows the Company to allot, issue and otherwise deal with Shares only during the period ending on the earliest of (i) the conclusion of the next annual general meeting of the Company; (ii) the date by which the next annual general meeting of the Company is required to be held by the Articles of Association or the laws of the Cayman Islands; or (iii) the date upon which such authority is revoked or varied by an ordinary resolution of the Shareholders at a general meeting of the Company (the “**Relevant Period**”).

As at the Latest Practicable Date, the issued share capital of the Company comprised 1,120,000,000 Shares. Subject to the passing of the relevant resolution to approve the Issue Mandate and on the basis that no further Shares are allotted and issued or repurchased prior to the date of the AGM, the Directors would be authorised to allot, issue and otherwise deal with a maximum of 224,000,000 new Shares under the Issue Mandate, representing 20% of the total number of the issued Shares as at the date of the AGM.

GENERAL MANDATE TO REPURCHASE SHARES

On 23 December 2016, an ordinary resolution was passed by the then Shareholders to give a general mandate to the Directors to exercise the powers of the Company to repurchase Shares. Such repurchase will lapse at the conclusion of the AGM.

At the AGM, an ordinary resolution will be proposed to grant to the Directors new general and unconditional mandate to repurchase Shares of up to 10% of the total number of the issued Shares as at the date of passing of the relevant resolution. The Repurchase Mandate will allow the Company to make repurchases only during the Relevant Period.

As at the Latest Practicable Date, the issued share capital of the Company comprised 1,120,000,000 Shares. Subject to the passing of the relevant resolution to approve the Repurchase Mandate and on the basis that no further Shares are allotted and issued or repurchased prior to the date of the AGM, the Company would be allowed to repurchase a maximum of 112,000,000 Shares under the Repurchase Mandate, representing 10% of the total number of the issued Shares as at the date of the AGM.

An explanatory statement required to be sent to the Shareholders under the GEM Listing Rules is set out in Appendix I to this circular to provide the requisite information regarding the Repurchase Mandate to the Shareholders.

RESPONSIBILITY STATEMENT

This circular, for which the Directors collectively and individually accept full responsibility, includes particulars given in compliance with the GEM Listing Rules for the purpose of giving information with regard to the Company. The Directors, having made all reasonable enquiries, confirm that to the best of their knowledge and belief the information contained in this circular is accurate and complete in all material respects and not misleading or deceptive, and there are no other matters the omission of which would make any statement herein or this circular misleading.

By Order of the Board
LKS Holding Group Limited
Wong Wan Sze
Chairman

This appendix serves as an explanatory statement as required under the GEM Listing Rules to provide the requisite information to the Shareholders for consideration of the Repurchase Mandate pursuant to Rule 13.08 of the GEM Listing Rules.

1. SHARE CAPITAL

As at the Latest Practicable Date, the issued share capital of the Company comprised 1,120,000,000 Shares. Subject to the passing of the relevant resolution to approve the Repurchase Mandate and on the basis that no further Shares are allotted and issued or repurchased between the Latest Practicable Date and the date of AGM, the Company will be allowed to repurchase a maximum of 112,000,000 Shares during the Relevant Period.

2. SOURCE OF FUNDS

The Directors propose that the repurchase of Shares under the Repurchase Mandate would be financed from the Company's internal resources.

In repurchasing the Shares, the Company may only apply funds which are legally available for such purposes in accordance with the constitutive documents of the Company, the GEM Listing Rules and the applicable laws and regulations of the Cayman Islands. The Company will not purchase the Shares on GEM for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange from time to time.

3. REASONS FOR SHARE REPURCHASE

Although the Directors have no present intention of exercising the proposed Repurchase Mandate, the Directors believe that the flexibility afforded by the proposed Repurchase Mandate would be beneficial to the Company and the Shareholders. An exercise of the Repurchase Mandate may, depending on market conditions at the time, lead to an enhancement of the net asset value and/or earnings per Share and will only be made when the Directors believe that repurchase of Shares will benefit the Company and Shareholders as a whole.

4. SHARE PRICES

The highest and lowest prices at which the Shares have traded on the Stock Exchange during the period from the Listing Date to the Latest Practicable Date were as follows:

	Share Price	
	Highest <i>HK\$</i>	Lowest <i>HK\$</i>

May	0.2090	0.1730
June (up to the Latest Practicable Date)	0.2180	0.1780

5. UNDERTAKING

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the powers of the Company to make repurchases pursuant to the Repurchase Mandate and in accordance with the GEM Listing Rules, the Articles of Association, the memorandum of association of the Company and the applicable laws of the Cayman Islands.

6. EFFECT OF THE TAKEOVERS CODE

If as a result of a repurchase of Shares pursuant to the Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of the Takeovers Code. As a result, a Shareholder, or a group of Shareholders acting in concert (as defined in the Takeovers Code), depending on the level of increase of the shareholder's interest, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

As at the Latest Practicable Date, the following shareholders had interests representing 5% or more of the issued share capital of the Company:

Name	Shares held	Nature of interest	Approximate percentage of total issued Shares

Notes:

7. DISCLOSURE OF INTERESTS OF DIRECTORS, THEIR CLOSE ASSOCIATES AND CORE CONNECTED PERSONS

As at the Latest Practicable Date, none of the Directors nor, to the best of their respective knowledge and belief and having made all reasonable enquiries, their close associates (as defined under the GEM Listing Rules), have any present intention, if the Repurchase Mandate is approved by the Shareholders and is exercised, to sell any Shares to the Company or any of its subsidiaries under the Repurchase Mandate.

As at the Latest Practicable Date, no core connected person (as defined in the GEM Listing Rules) of the Company (i) has notified the Company that he/she/it has a present intention to sell any Shares (ii) has undertaken to the Company that he/she/it will not sell any Shares held by he/she/it to the Company, in the event that the Repurchase Mandate is approved by the Shareholders.

8. MATERIAL ADVERSE CHANGE

As compared with the financial position of the Company as at 31 March 2017 (being the date to which the latest audited accounts of the Company have been made up), the Directors consider that there would not be a material adverse impact on the working capital and on the gearing position of the Company in the event that the proposed repurchases were to be carried out in full during the proposed repurchase period.

The Directors do not propose to exercise the Repurchase Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital of the Company or the gearing position which in the opinion of the Directors are from time to time appropriate for the Company.

9. SHARE REPURCHASE MADE BY THE COMPANY
